

RAPID GROWTH ACCELERANT

Technical Partner to Khulisani Ventures

CADENA GROWTH PARTNERS

Cadena Growth Partners is a born digital, advisory, and venturing organisation that exists to create new and significant value for the organisations we work with, by combining their legacy, and our expertise

ACADEMY OF BUSINESS FUTURES

01: SUPPORT A RAPID GROWTH CURRICULUM

We will work with Khulisani technical support partners to provide a differentiated learning programme, curated alongside industry leaders and experienced business builders

Live and Virtual Group Learning Masterclasses from Industry Leaders

Select Masterclasses delivered by the **Academy of Business Futures**

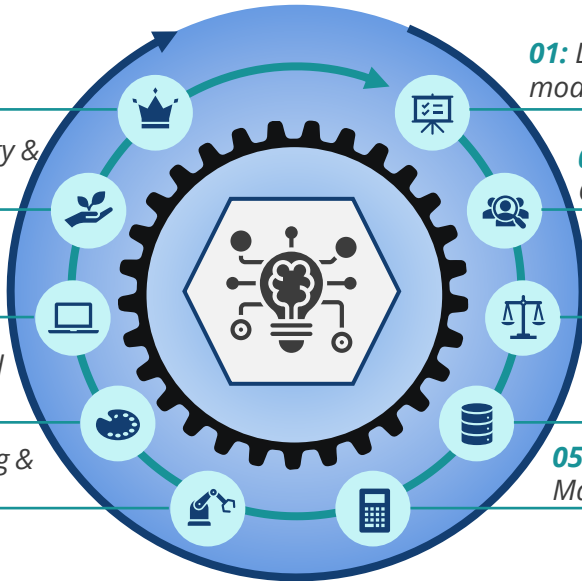

10 : Innovation & Growth for Scale *

09: Exponential Technology & Start-up Use-Cases *

08: Future of Work & Virtual Working *

07: Service Design & Rapid Prototyping *

06: Pitching, Storyboarding & Slide Craft

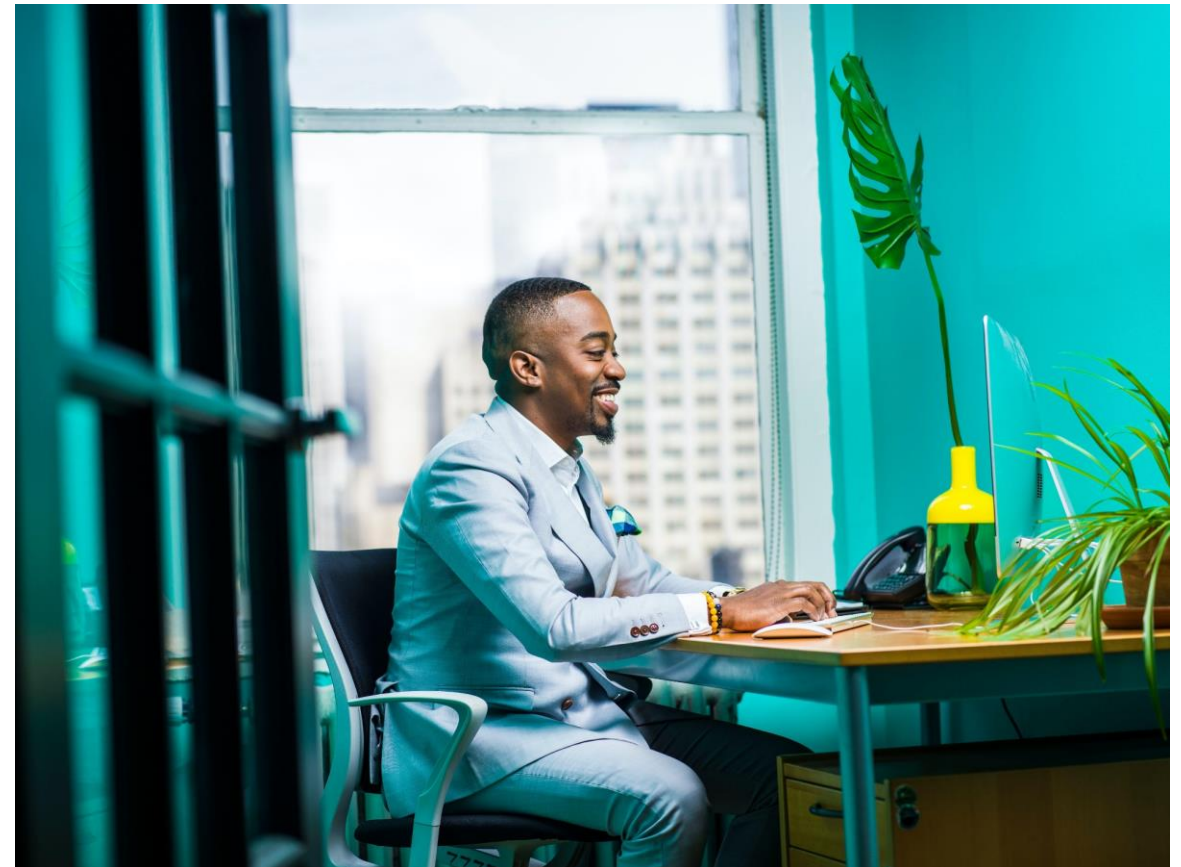

01: Digital Business mental models *

02: Marketing, Sales & Customer Centricity *

03: Financial Management & Modelling

03: Exponential Economics

05: Data & Risk Management *

Start-up leaders and their team members will have an opportunity to learn, interact, workshop, ask questions and stress-test their capabilities in these highly immersive masterclasses intended for rapid growth

02: RAPID GROWTH CLINICS

Intimate strategic mentorship that promotes best practice in growth-hacking, experimentation, networking, digital transformation and innovation. Start-up leaders receive personal mentorship with actionable recommendations for immediate growth

1-on-1, Individual Mentorship, Advisory & Coaching

The following interventions are for high-potential start-ups that have excelled in our Rapid Growth Curriculum and are ready to reach new heights from targeted mentorship and coaching:

 1-on-1 Mentorship	<i>Intimate in-person engagements on broad topics that develop hard and soft leadership skills</i>	 Targeted Advisory	<i>Targeted in-person advisory and coaching for selected start-ups, to solve highly specific business challenges</i>
 Proof-of-Value Bootcamps	<i>Experimental sandbox engagements that aim to prove value through prototyping and market testing</i>	 Network and Partner Access	<i>Expose start-ups to our immersion and partners networks locally and globally</i>

Start-up leaders and nominated functional leaders will have an opportunity to gain personal mentorship and coaching in a safe environment from esteemed industry experts to target high-growth aspects of their start-up journey and career path

03: CADENA ECOSYSTEM INCLUSION

Innovation-led offering incubation with selected start-ups to solve challenges for investee and client businesses. These offerings would leverage best-in-class start-up tech and IP, paired with Cadena’s advisory expertise and access to our client network

Top performing start-ups that demonstrate strong commercial prospects will be invited to co-create new offerings that have the potential to solve complex challenges in a B2B environment for clients, investees and their customers

THANK YOU

Valter Adão
